Don't forget to turn off your television and video games! Next week's reward is a dress down day on Friday, Feb. 10th.

What We're Learning

Week of Feb. 6

Language Arts:

This week we will be reading a non-fiction article called Here's My Dollar. We will be talking about Author's Purpose. We will be learning about irregular verbs in grammar and homophones in spelling.

Remember to practice your Mad Dog Math facts!

Donations Needed:

Items for the Silent Auction Pet Basket

Math:

In math we are learning geometry! We are learning about solid figures and different types of angles. We are also learning about polygons.

Don't forget to send in pictures of the fun activities you are doing while your T.V. and video games are off! We will be showcasing your pictures on the 3rd grade bulletin board in the cafeteria

Core Knowledge Science

We will begin our unit on Ecology. We will learn about consumers, producers, and decomposers. We will also learn about different types of pollution.

Core Knowledge Social Studies

Our next unit will be on the Vikings. We will be learning about the Viking sailors and their ships. We will also learn about Eric the Red and Leif Ericson.

For Your Information

Core Virtues

Courage- Doing what is right in the face of fear.
