Writing endings

CORE VIRTUES (AUGUST)

- Respect and Responsibility

MATH:

We will introduce fractions and decimals. Students will learn to recognize fractions and decimals to thousandths. They will learn to read and write decimals as fractions and find decimal equivalents.

Please study your multiplication /division facts nightly.

SOCIAL STUDIES:

We will finish our Core Knowledge unit on the American Revolution. This week we will learn about Valley Forge and the end of the war. The final test will be on Friday, Sept. 10th. Students should have been studying all along in order to be prepared.
