Special Note:

Thank you for your time! Whether you sent in requested items, went on field trips, or volunteered in the classroom... we appreciate you!!!

Dear Parents,

We are excited about our upcoming field trip to the Stuffington Bear Factory. Please make sure your child wears a red top and blue bottoms on this day. If you have volunteered to chaperone on this day, please meet us at the factory at 10:00 am. Please remember siblings are not allowed to attend CCS field trips. Thank you for your support of our policies!

Please note that school ends Friday, May 28th, at 11:30 am. There will be no aftercare provided on this day, so if your child usually attends C.C.S. aftercare, please contact his/her teacher to make other pick-up arrangements for the last day of school. We hope everyone has a wonderful summer and we'll see you next year at Challenge Charter School!!!

Math Facts

To facilitate first grade math success for your child, please have him/her start memorizing the addition and subtraction math facts 0 - 10

Language Arts

girl, boy, I, can, we, the, like, a, see, go, to, have, is, play, are, for, you, this, do, and, what, said, little, here, was, she, he, has, look, with, my, **me, where**

Keep reviewing the classroom sight words!!

Math

This summer is a great time to work on your math skills including:

- *recognizing numbers to 100
- *counting to 100
- *reading number words (one, two, etc.)
- *memorizing addition and subtraction facts to 10
- *time and money
- *Days of the Week
- *Months of the Year

At Home

Attached to this newsletter you can find word "chunks" for word families which will be used in first grade. Memorization of these chunks over the summer will help facilitate first grade reading success for your child!
