**May Core Virtue:** Gentleness - Treating others with kind words and mild manners

**Core Knowledge Saying:** "If at first you don't succeed, try, try again."

5/25 Students last day

Dismissal 11:30AM

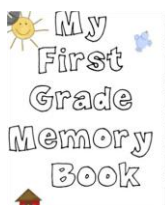

(1/2 day)

Happy Summer Break!

## What we are learning the week of: May 23-27

### English Language Arts

Students will be presenting their times lines and reviewing skills we have learned.

#### End of Year Activity!

We will be working on end of year fun activities. We will be creating end of year books! As well as sharing all the events that they remember from this exciting year in 1<sup>st</sup> grade!

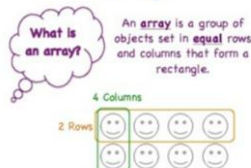

### Math

In math, we will be exploring odd and even. We will be building arrays to get prepared for second grade!

Please continue to practice your **math facts** at home!

Even	Odd	Arrays
0	1	Arrays are made of equal rows and columns
2	3	
4	5	
6	7	
8	9	

#### Arrays

### Social Studies

We have been learning about important figures in history. We learned about Martin Luther King Jr., Rosa Parks, and Cesar Chavez.

Core Knowledge is #1!

We get it done with fun!!

Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

## Important information for: May 23-27

### Music

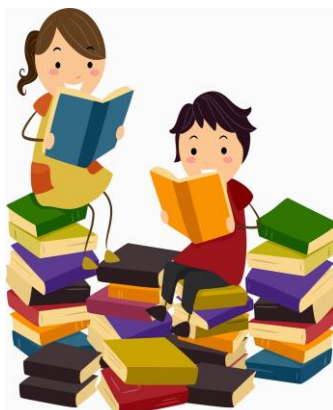

This past week students practiced clapping out the beat of the songs. They got to dance and sing familiar songs. They even got to do some summer dance party activities!

We enjoyed learning about music this school year. We are excited to see what songs we will get to sing and dance to next year!

### Second Grade Readiness

Students will be receiving a Second Grade Readiness packet. It will include many language arts and math activities that students can practice at home. Please help your child practice reading this summer!

### Thanking all Scientists!!

Our Science Visitors were amazing and so much fun. Students learned about tools and topics that they would see in science. The children got to see real organs and pilot tools. They even got to see a robot move! Thank you so much to the parents who visited this past week!

## Thank you, parents!!

Thank you for all your support, time, and donations this school year! We could not have done all our fun hands-on projects without your help!

The first-grade team would like to wish you all a wonderful and safe summer! We look forward to seeing everyone back this fall!
