## What your Kindergartener is Learning:

### Language Arts:

**Domain:** This week we will  
review the nursery rhymes  
and fables. Our test will be  
on **Tuesday Aug. 31.**

**Skills:** We are going to  
start working on learning  
sounds. We will learn the fol-  
lowing sounds this week:  
m,a,t,d.

We will learn how to  
write these sounds  
and learn how to  
recognize the  
sound.

### Math

We will spend some time this  
week reviewing ways to make  
5. We will practice writing  
our numbers 0-5.

Please see the back  
of this newsletter for  
more information

## Kindergarten Reminders:

- ⇒ All Kindergarteners have a morning snack time... please send a healthy snack to school. It would be very helpful if you can have the snack **separate** from their lunches.
- ⇒ Dismissals are a drive through line, please remember to stay in the car. Do Not leave your car in the drive through line to come get your child. We will bring your child to you. Thank you!

### Letter Sounds:

Learning the letter sounds is a very important kindergarten skill. This sets up students for success in learning to read. We are also learning the skill of writing each sound.

Each night it is important to look through your child's folder to see which sound we learned. Many of the activities that will come home can be a great tool for practicing at home. Please save these items to use throughout the weeks of learning the sounds, if your child needs the extra practice.

This week in music:

We learned about how the piano works. We also learned about Franz Liszt, he was famous for being an amazing piano player.

We learned a song about different animals in the ocean.

### Homework Reminders:

- ◆ Please make sure you initial all the boxes that you complete on the homework menu.
- ◆ If there is an additional worksheet attached, it must be completed.
- ◆ Students need to complete one box in the first three sections (Skills, Math, Writing).
- ◆ All of the weekly skills must be completed or practiced daily throughout the week.
